

# NUDO®

Laminated Panels With A Purpose

## TRANSPORTATION PANELS

### HIGH PERFORMANCE DOOR & FLOORING PANELS

Nudo offers the industry standard “PlyMetal” trailer swing door. These panels typically utilize a plywood substrate with a variety of laminated exterior and interior surface options. Laminated facing options include aluminum, stainless steel, galvanized steel and high-density polyethylene (HDPE). Match your transportation durability needs with designed performance panels. In addition to swing doors, NUDO also offers a full range of Fiberglass Reinforced Plastic (FRP) liner and floor panels. Inside and out, NUDO offers solutions for all your transportation panel needs.
