

April 13, 2020

In our collective battle against COVID-19, Nudo Products is working to navigate through these unparalleled challenges.

Nudo Products Inc is classified as being an “Essential” business. With the rapid changes to the healthcare industry, Nudo is here to support the battle against COVID-19.

Nudo Products Inc. is an industry leader in lamination. With options to laminate FRP, HDPE, Aluminum, HPL and other products to a variety of substrates including Gypsum, OSB, Plywood, Fluted PVC, & Coextruded polypropylene, we can provide solutions for Modular Units, Temporary Spaces, Alternative Healthcare Sites, and Healthcare Facilities.

Our laminated products are produced in the U.S. and with over 75,000 sheets of raw materials in stock, and dedicated carriers, we can ship product quickly to meet your project needs.

We are also continuing to work to provide new solutions for the changes happening daily. Our new ColumnCorr panel was released last week and our Isolation Cubes / Temporary wall system will be released this week.

For more information on any of our products or to get samples, please call 1-800-826-4132 or email info@nudo.com

Nudo Products will continue to monitor information shared by the Center of Disease Control and Prevention (CDC) as well as other public service announcements. This situation is very fluid, but our objective is to continue to deliver products while taking the necessary steps to ensure the safety of our employees.

Nudo would like to thank you for your continued support.
