NuComb-A™

LIGHTWEIGHT AND RIGID WALL, CEILING AND FLOOR PANELS

NuComb-A panels feature aluminum honeycomb sandwiched between two aluminum skins providing design flexibility. Nudo laminates a wide variety of finishes to the skin including wood veneer, HPL, HDPE, HPE, FRP, PolyMetal™ and other finish options that add vitality to any new or existing interior or exterior space. This panel is used in many applications, especially when lightweight, flatness and strength are the key performance requirements.

- Lightweight
- Multiple design options
- Flat, stable & rigid
- Excellent strength to weight ratio
- Moisture and corrosion resistant
- High thermal conductivity
- Class A fire-rating
- Durable
- Green friendly
- Ease of installation
- Sizes – 4' x 8', 10' & 5' x 8' (other sizes available - special order)
- Trim options available
